

Tap That Brewery & Keghouse

Every household in Australia DESERVES beer on tap

The market problem

\$12+ for a schooner at the pub. \$80+ for case of craft beer at the bottleshop.
Catching up with friends at a venue is stressful, rushed and expensive.

Your solution

Catching up with friends made easy. Pub-quality beer and non-beer products on tap at home.
2.5 cases for the price of 1, or \$2.55/schooner
Perfect addition to your outdoor entertaining area... be the envy of your friends. GOAL = bringing people together

Target market

- *Homeowners who like to entertain
- *Venues, sports clubs and restaurants
- * Market Segments - Sharehouses, DINK, Young Families, Baby Boomers, High Volume Drinkers, Cashed Up Tradies, Cashed Up Wankers.

Competitors

Pubs & Bottleshops
Home Brew Supply Stores
(Not other breweries - the more people drinking craft beer and not XXXX, the better)

Sales and marketing

Sales

1. Keg Systems
2. Keg Refills (residential and commercial)
3. Taproom (walk-ins, local business, functions/events)
4. Wholesale
5. Merchandise

Marketing

- *WOM
- *SM, SEO/SM
- *JVP's / cross marketing
- *CRM

Milestones

* 1000 active keg refillers

Budgets

Breakeven point is ~ \$50k

	Q1	Q2	Q3	Q4
Setup costs (1,000s)				
Running costs (1,000s)				
Total costs (1,000s)	0	0	0	0
Income (1,000s)				
Profit/loss (1,000s)	0	0	0	0
